Since 1997, the Great Canadian Adventure has been an essential part of a church planting movement in Canada. Every summer, teams travel north to participate in the Great Commission while learning new evangelism approaches that are readily adaptable to their own context. This trip is distinctly Canadian and an enriching cross-cultural experience – without having to learn another language! Here are some of the exciting opportunities that await you on the 2020 Great Canadian Adventure:

ASSISTING NEW CANADIAN CHURCHES

The reason we host the GCA is to assist the growth and expansion of new churches throughout Canada. Your help makes a difference!

WORSHIP

Every morning we will seek God together and engage our hearts toward Him through music and devotions.

SEED PLANTING & EVANGELISM

Not only will we be doing training in evangelism, but we will have opportunities to explore creative ways to show God's love and put what we've learned into practice.

MULTICULTURAL EXPERIENCES

Canada is culturally diverse home to some of the world's most cosmopolitan cities. English is a second language for a high percentage of the population in urban areas like Toronto and Vancouver.

TEMPLE TOUR

You will have the opportunity to tour a Hindu or Buddhist Temple, Sikh Gurdwara or a Muslim Mosque. The multicultural demographic of Canada provides a great environment to see and learn about the religions of people in our world.

TEACHING MOMENTS

We will take time to talk about how we can share the gospel in a post-modern culture.

CANADIAN FUN

Learn more about Canada in a fun and fresh way every day.

SIGHTSEEING

Don't miss your chance to take in the many sights and attractions in and around your destination. If you are driving to Toronto, don't forget to visit Niagara Falls!
