

A Church Planting Movement in Canada

The Great Canadian Adventure has played a critical role in the initiation of four church plants: Grace Community Church in Mississauga, Ontario; the Village Community Church in Milton, Ontario; Grasslands Church in Medicine Hat, Alberta; and Community of Hope in Surrey, British Columbia. Grace Community Church and the Village Community Church have merged to form the multi-site Renew Church with four campuses adding Mayfield West (Caledon) and Cambridge, Ontario.

ASSISTING NEW CANADIAN CHURCHES

The reason we host the GCA is to assist the growth and expansion of new churches throughout Canada. Your help makes a difference!

SEED PLANTING & EVANGELISM

Not only will we be doing training in evangelism, but we will have opportunities to explore creative ways to show God's love and put what we've learned into practice.

TEMPLE TOUR

You will have the opportunity to tour a Hindu or Buddhist Temple, Sikh Gurdwara or a Muslim Mosque. The multicultural demographic of Canada provides a great environment to see and learn about the religions of people in our world.

CANADIAN FUN

Learn more about Canada in a fun and fresh way every day.

WORSHIP

Every morning we will seek God together and engage our hearts toward Him through music and devotions.

MULTICULTURAL EXPERIENCES

Canada is culturally diverse home to some of the world's most cosmopolitan cities. English is a second language for a high percentage of the population in urban areas like Toronto and Vancouver.

TEACHING MOMENTS

We will take time to talk about how we can share the gospel in a post-modern culture.

SIGHTSEEING

Don't miss your chance to take in the many sights and attractions in and around your destination. If you are driving to Toronto, don't forget to visit Niagara Falls!

An enriching cross-cultural experience

There is nothing quite like having your faith stretched and tested as you choose to serve God in a new and unfamiliar place. Join us for The Great Canadian Adventure to make a real impact while learning to share the gospel in a uniquely multicultural and post-Christian context.

Since 1997, The Great Canadian Adventure has paired missions experience with training in evangelism to create an enlightening, rewarding and fun short-term mission trip. In 2020 we will continue the expanded efforts we began last year by hosting events to assist churches in 3 locations across the country.
